Monday 22<sup>nd</sup> – Friday 26<sup>th</sup> May 2017

## Dear Parents,

Dear Parents,

As usual we have experienced a very busy week with a visit to the Cambridge Theatre in London, for our younger students, also an increased level of anxiety for our GCSE students, and of course their teachers. This shows all signs of continuing into next week as the examinations continue, however, I should also like to add that we have been tremendously proud of our senior students and the way they are coping with their levels of stress.

Last week we referred to our junior students submitting poems to 'Young Writers, as part of a national competition. Due to the vagaries of our postal systems we, at that point, knew of one student who had received a certificate for Talent in Writing, however we are pleased to announce that we have since received confirmation for another four students, Beth Vincent, Katie Parfett, Isabella Whall and Charlotte Whall. These students will find their poems published in the young writer's book. As a school we are always incredibly proud when our students do extremely well in national competitions.

Next week we do finish school slightly earlier as we are due to break for the half term. In that light we shall be sending the half term newsletter out which refers to some of the more interesting elements of the school trip to London, complete with photographs. However, we shall also be sending out our annual questionnaire for parents which I am sure you will enjoy completing as much as we enjoy reading your comments.

Please do have an enjoyable weekend; we look forward to seeing your children on Monday.

Best wishes,

Mrs Kim Salthouse,  
Head of School

Dr Duncan Rollo  
Principal

- Students must not be sent to school if they have a fever/sickness or are feeling ill. Students should be fever/sickness free for 48 hours before returning to school to protect other students from contact with potentially contagious illnesses. Parents will be contacted by the medical staff on duty if a child shows symptoms of illness while in school.
- Could all students bring stationery in to school for their lessons, e.g. pens/pencils and crayons.
