

## Week Gone/Week Ahead - 15<sup>th</sup> January 2021 Centre Academy London

Dear Parents/Carers, Students and Staff,  
Our Learning from Home programme started this week – thank you to all students, parents and carers who have been in touch – either just to let us know how they are getting on or tell us about issues they have had. Please do continue to do so as the programme continues, as this will help ensure that all students are able to make the progress we expect over the coming weeks.

Mentors will also have been in touch to check how everything is going and if there is any practical support that would be helpful – even if this is as simple as paper and pens – please remember that we are here to help where we can.

This week we started offering COVID-19 lateral flow tests in school. This has initially been available to staff, but from next week we will be able to offer tests to onsite students. We will be in contact with parents and carers of onsite pupils with more details next week.

As in the Summer Term, I will be once again be sending Student of the Week Certificates by email to students who receive these for their work in specific subjects – I will also copy parents or carers into these emails so they can share in their child's success. Finally this week – on the next page you will see the first instalment of our 'Tuileries Recommends' feature. Each week a different member of the class will be providing a recommendation to make lockdown life more enjoyable. First up will be Ms Leamy with her suggestion of a good Lockdown activity.

Miss Maddison

### Upcoming Dates

Monday 11<sup>th</sup> January 2021:  
Learning from Home Programme started

Monday 15<sup>th</sup> – Friday 19<sup>th</sup> February:  
Half Term

Friday 26<sup>th</sup> March 2021:  
End of Term

Student of the Week certificates have been awarded to students for hard work in subjects. Winners also receive five House Points.

Well done to these students for their hard work this week.

The winner of the house point competition this week (by one point!) is:

**Effra**

Congratulations to them for winning and well done to all students for their hard work over the week.

## Tuileries Recommends

---

I went home to Ireland for Christmas and had an amazing three weeks. Similar to London we have been unable to travel and so a lot of time was spent at home where I completed a number of jigsaws.

Harry Potter Jigsaw 1000 pieces!

Disney Villains Jigsaw 1000 pieces

This Christmas I also got a gift of a personalised jigsaw, again 1000 pieces, with a picture of me and my dog. I personally love doing jigsaws, I find they're a great way to pass the time and there is a great sense of achievement when it's all complete. When I finish the jigsaw I glue them to a board and I have decided I will frame them when I'm next back in Ireland.
