1. Aims and objectives

Our aim is to provide all our pupils with an excellent academic education together with the necessary life and social skills to ensure that when they leave the school, they can confidently look forward to enjoying a happy fulfilling and rewarding life in the wider society. Throughout their time at CAEA, we focus strongly on a curriculum that helps pupils to gain the skills and qualifications they are likely to need to have choices at the next stage of their education or in their working life.

Our special educational needs and disabilities (SEND) policy aims to:

- To equip our students with key skills in literacy and numeracy within a broad, balanced and suitably differentiated National Curriculum
- To develop positive attitudes to learning and to develop not only the knowledge but also the coping skills required to become effective learners
- To increase each student's confidence and self-esteem as they overcome the usual anxiety and stress that they may equate with school
- To recognise and respect each student's learning needs and style, challenging and supporting them in achieving their personal best, both academically and socially
- To ensure that students leaving the school do so with appropriate qualifications and a specific destination, to include college and university
- To support and advise parents in understanding their student's specific educational challenges and needs.
- To make sure our school fully implements national legislation and guidance regarding pupils with SEND

CAEA will:

- Support and make provision for pupils with special educational needs and disabilities
- Provide pupils with SEND access to all aspects of school life so they can engage in the activities of the school
- Support pupils with SEND fulfil their aspirations and achieve their best
- Support pupils with SEND become confident individuals living fulfilling lives
- Help pupils with SEND make a successful transition into adulthood

2. Vision and values

At CAEA we will provide all pupils with access to a broad and balanced curriculum. We are committed to making sure all our pupils have the chance to thrive and they are supported so they can meet their full potential. We are focused on creating an inclusive environment, where provision is tailored to the needs and abilities of pupils, no matter how varied.

3. Legislation and guidance

This is based on the statutory [Special Educational Needs and Disability \(SEND\) Code of Practice](#) and the following legislation:

- [Part 3 of the Children and Families Act 2014](#), which sets out schools' responsibilities for pupils with SEND

- [The Special Educational Needs and Disability Regulations 2014](#), which set out local authorities' and schools' responsibilities for education, health and care (EHC) plans, SEN coordinators (SENCOs) and the special educational needs (SEN) information report
- The [Equality Act 2010](#) (section 20), which sets out the school's duties to make reasonable adjustments for pupils with disabilities
- The [Public Sector Equality Duty](#) (section 149 of the Equality Act 2010), which set out the school's responsibilities to eliminate discrimination, harassment and victimisation; and advance equality of opportunity and foster good relations between people who share a protected characteristic (which includes having a disability) and those who don't share it
- The [Governance Handbook](#), which sets out governors' responsibilities for pupils with SEND
- The [School Admissions Code](#), which sets out the school's obligation to admit all pupils whose education, health and care (EHC) plan names the school, and its duty not to disadvantage unfairly children with a disability or with special educational needs

4. Inclusion and equal opportunities

At our school we strive to create an inclusive teaching environment that offers all pupils, no matter their needs and abilities, a broad, balanced and challenging curriculum. We are committed to offering all pupils the chance to thrive and fulfil their aspirations.

We will achieve this by making reasonable adjustments to teaching, the curriculum and the school environment to make sure that pupils with SEND are included in all aspects of school life.

5. Definitions

5.1 Special educational needs

A pupil has SEND if they have a learning difficulty or disability that requires special educational provision to be made for them.

They have a **learning difficulty or disability** if they have:

- A significantly greater difficulty in learning than most others of the same age, or
- A disability which prevents or hinders them from making use of facilities of a kind generally provided for others of the same age in mainstream schools

Special educational provision is educational or training provision that is additional to, or different from, that made generally for other children or young people of the same age by mainstream schools.

5.2 Disability

Pupils are considered to have a **disability** if they have a physical or mental impairment that has a substantial and long-term adverse effect on their ability to do normal daily activities.

The school will make reasonable adjustments for pupils with disabilities, so that they are not at a substantial disadvantage compared with their peers.

5.3 The 4 areas of need

The needs of pupils with SEND are grouped into 4 broad areas. Pupils can have needs that cut across more than 1 area, and their needs may change over time.

Interventions will be selected that are appropriate for the pupil's particular area(s) of need, at the relevant time.

AREA OF NEED	
Communication and interaction	<p>Pupils with needs in this area have difficulty communicating with others. They may have difficulty understanding what is being said to them, have trouble expressing themselves, or do not understand or use the social rules of communication.</p> <p>Pupils who are on the autism spectrum often have needs that fall in this category.</p>
Cognition and learning	<p>Pupils with learning difficulties usually learn at a slower pace than their peers. A wide range of needs are grouped in this area, including:</p> <ul style="list-style-type: none"> • Specific learning difficulties, which impact 1 or more specific aspects of learning, such as: dyslexia, dyscalculia and dyspraxia • Moderate learning difficulties • Severe learning difficulties • Profound and multiple learning difficulties, which is where pupils are likely to have severe and complex learning difficulties as well as a physical disability or sensory impairment
Social, emotional and mental health	<p>These needs may reflect a wide range of underlying difficulties or disorders. Pupils may have:</p> <ul style="list-style-type: none"> • Mental health difficulties such as anxiety, depression or an eating disorder • Attention deficit disorder, attention deficit hyperactive disorder or attachment disorder • Suffered adverse childhood experiences <p>These needs can manifest in many ways, for example as challenging, disruptive or disturbing behaviour, or by the pupil becoming withdrawn or isolated.</p>
Sensory and/or physical	<p>Pupils with these needs have a disability that hinders them from accessing the educational facilities generally provided.</p> <p>Pupils may have:</p> <ul style="list-style-type: none"> • A sensory impairment such as vision impairment, hearing impairment or multi-sensory impairment • A physical impairment <p>These pupils may need ongoing additional support and equipment to access all the opportunities available to their peers.</p>

7. SEN information report

The school publishes an SEN information report on its website, which sets out how this policy is implemented in the school. The information report will be updated annually and as soon as possible after any changes to the information it contains. Link to the SEN information report: <https://www.centreacademy.net/wp-content/uploads/2024/10/SEN-Information-Report-Oct-24.pdf>

8. Our approach to SEND support

8.1 Assessing their needs

We will assess each pupil's current skills and levels of attainment when they start at CAEA. This will build on information from previous settings and Key Stages, where appropriate. We will also consider any evidence that the pupil may have a disability and if so, what reasonable adjustments the school may need to make.

This may include progress in areas other than attainment, for example, wider development or social needs.

When teachers identify an area where a pupil is making slow progress, they will target the pupil's area of weakness with differentiated, high-quality teaching.

Potential short-term causes of impact on behaviour or performance will be considered, such as bullying or bereavement. Staff will also take particular care in identifying and assessing SEN for pupils whose first language is not English.

We will start with the desired outcomes, including the expected progress and attainment, and the views and the wishes of the pupil and their parents. We will use this to determine the support that is needed.

A pupil joining CAEA, will have:

- Already been identified that they have SEN
- They are known to external agencies
- They have an education, health and care plan (EHCP)

8.2 Consulting and involving pupils and parents

The school will put the pupil and their parents at the heart of all decisions made about special educational provision at CAEA.

When we are aiming to identify whether a pupil's special education provision can be met at CAEA, we will have an early discussion with the pupil and their parents. These conversations will make sure that:

- Everyone develops a good understanding of the pupil's areas of strength and difficulty
- We take into account any concerns the parents have
- Everyone understands the agreed outcomes sought for the child
- Everyone is clear on what the next steps are

Notes of these early discussions will be added to the pupil's record and given to their parents.

We will formally notify parents if it is decided that a pupil will receive special educational provision.

8.3 The graduated approach to SEN support

Once CAEA has been named as the pupil's school provision, we will take action to remove any barriers to learning, and put effective special educational provision in place. This support will be delivered through successive rounds of a 4-part cycle known as the graduated approach.

1. Assess

The pupil's class teacher, therapists and SENCO will carry out a clear analysis of the pupil's needs. The views of the pupil and their parents will be taken into account. The school may also seek advice from external support services.

The assessment will be reviewed regularly to help make sure that the support in place is matched to the pupil's need. For many pupils, the most reliable way to identify needs is to observe the way they respond to an intervention.

2. Plan

In consultation with the parents and the pupil, the teacher and the SENCO will decide which adjustments, interventions and support will be put into place, the expected outcomes, and a clear date for review.

All staff who work with the pupil will be made aware of the pupil's needs, the outcomes sought, the support provided and any teaching strategies or approaches that are needed. This information will be recorded on Brom Com, and will be made accessible to staff in a contextual information, pupil passport and provision plans

Parents will be fully aware of the planned support and interventions. Parents may be asked to reinforce or contribute to progress at home.

3. Do

The pupil's tutor or subject teacher retains overall responsibility for their progress.

Where the plan involves group or 1-to-1 teaching away from the main class or subject teacher, they still retain responsibility for the pupil. They will work closely with any specialist staff involved, to plan and assess the impact of support and interventions and how they can be linked to classroom teaching.

The SENCO will support the teacher in further assessing the pupil's particular strengths and weaknesses, in problem solving and advising on how to implement support effectively.

4. Review

The effectiveness of the support and interventions and their impact on the pupil's progress will be reviewed in line with the agreed date.

We will evaluate the impact and quality of the support and interventions. This evaluation will be based on:

- The views of the parents and pupils
- The level of progress the pupil has made towards their outcomes
- The views of teaching staff who work with the pupil

The teacher and the SENCO will revise the outcomes and support in light of the pupil's progress and development, and in consultation with the pupil and their parents.

8.4 Levels of support

School-based SEN provision

All pupils at CAEA have an Education, health and care (EHC) plan. They are placed on the school's SEND register. These pupils have needs that can be met by the school through the graduated approach.

8.5 Evaluating the effectiveness of SEN provision

At CAEA we evaluate the effectiveness of provision for pupils with SEN by:

- Tracking pupils' progress, including by using provision maps
- Carrying out the review stage of the graduated approach in every cycle of SEN support
- Using pupil questionnaires
- Monitoring by the SENCO

- Holding annual reviews for pupils
- Using One Page Profiles
- Termly Academic Reports
- Getting feedback from the pupil and their parents

9. Expertise and training of staff

Training will regularly be provided to teaching and support staff. The headteacher and the SENCO will continuously monitor to identify any staff who have specific training needs and will incorporate this into the school's plan for continuous professional development.

10. Links with internal/external professional agencies

CAEA endeavors to meet all the needs of every pupil. Whenever necessary the school will work with internal/external support services such as:

Internal professionals:

- Specialist teachers
- Speech and Language Therapist
- Occupational Sensory Integration therapist
- Play Therapist
- Mental Health and Wellbeing Practitioner
- Physiotherapist

External professional:

- Educational psychologists
- General practitioners or paediatricians

11. Admission and accessibility arrangements

Please follow the links below for the Admission Policy and Accessibility Policy

<https://www.centreacademy.net/wp-content/uploads/2024/10/Admissions-Policy-S24-1.pdf>

<https://www.centreacademy.net/wp-content/uploads/2024/02/Accessibility-Plan-F24.pdf>

11.1 Admission arrangements

Centre Academy East Anglia (CAEA) must of necessity remain a small school and we therefore accept only a limited number of students for each academic year. Because of the nature of our mission as an SEN-exclusive school and, indeed, the nature of our students, we are exceptionally careful with regard to offering places. In broad terms, we must be as sure as possible that we will be able to meet the needs—academic, interpersonal and social—of the applicant and that the applicant will benefit and thrive in our environment for learning. We are also mindful that no student should compromise the ability of other students to learn. Finally, the school cannot accommodate students for whom behavioural difficulties are a primary diagnosis.

11.2 Accessibility arrangements

The 2010 Equality Act and the SEND code 2015 cover discrimination in education. It requires that disabled pupils should not be treated less favourably, without justification, for a reason which relates to their disability. It also requires that reasonable adjustments are made so that disabled pupils are not put at a substantial disadvantage compared with pupils who are not disabled. The management and governance of the school as the responsible bodies must prepare:

- (a) an accessibility plan;
- (b) further such plans at such times as may be prescribed

CAEA has made alterations and improvements over the years to improve access to all areas of the school, and all new builds or major structural improvements, are all designed with disabled access in mind. The main building is hundreds of years old and as such has made improvements harder to accommodate than newer additions such as the portacabins/container buildings and Coach House. Due to the age and construction of the main school building it is unlikely the school would be able to cater adequately for wheelchair users in the building.

12. Complaints about SEND provision

Where parents have concerns about our school's SEND provision, they should first raise their concerns informally with the class tutor/SENCo/headteacher. We will try to resolve the complaint informally in the first instance. If this does not resolve their concerns, parents are welcome to submit their complaint formally.

Formal complaints about SEND provision in our school should be made to the class tutor/SENCO/headteacher in the first instance. They will be handled in line with the school's complaints policy

<https://www.centreacademy.net/wp-content/uploads/2024/09/Complaints-Policy-S24-1.pdf>

If the parent or carer is not satisfied with the school's response, they can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEN Code of Practice](#).

To find out about disagreement resolution and mediation services in our local area, <https://suffolksendiass.co.uk/education-health-care-needs-assessments-and-plans/mediation/> You can request mediation by contacting Anglia Care Trust on 01473 622888, to discuss whether you would like to use mediation and if you decide to, they will talk you through next steps.

13. Monitoring and evaluation arrangements

13.1 Evaluating the effectiveness of the policy

We are constantly looking for ways to improve our SEND policy. We will do this by evaluating whether or not we are meeting our objectives set out in section 1.

We will evaluate how effective our SEND provision is with regards to:

- All staff's awareness of pupils with SEND at the start of the autumn term
- Pupils' progress and attainment monitored
- Whether pupils with SEND feel safe, valued and included in the school community
- Comments and feedback from pupils and their parents

13.2 Monitoring the policy

This policy will be reviewed by the SENCo **every year**. It will also be updated when any new legislation, requirements or changes in procedure occur during the year.

It will be approved by the Headteacher and Proprietor
